PART II—B

Notifications, Notices and Orders by the Heads of the Departments.

**GOVERNMENT OF JAMMU AND KASHMIR
OFFICE OF THE DEPUTY COMMISSIONER, JAMMU**

Notification

In exercise of the powers vested in me in terms of sub-rule (2) of rule 4 of SRO-303 dated 04-10-2011 read with SRO-379 dated 22-12-2011 of J&K Preparation and Revision of Market Value Guidelines Rules, 2011 issued by the Finance Department, J&K Government, Jammu and also on the basis of the approval conveyed by the Divisional Valuation Board under Rule 3 of SRO-379 dated 22-12-2011 vide endorsement No. CSSJ/698-708 dated 27-03-2015, the rates of the immoveable property of Jammu District for the financial year 2015-16 are hereby notified as shown in the statements appended to this notification.

It is further notified that in rural areas, the rates of the unirrigated land shall be applicable to the uncultivable land and in urban areas, where the nature of piece of land is not already classified as "Residential" or "Commercial", the rates of Residential or Commercial would be applicable to it depending upon the land use of the said land as defined in the Master Plan of the area.

These rates shall remain in force w. e. f. 01-04-2015 to 31-03-2016.

(Sd.) AJEET KUMAR SAHU, IAS,

Deputy Commissioner
(Chairman, District Valuation Committee),
Jammu.

(Petitioners/Workmen)
Respondents/ Employees.

In the Matter of :— Application under Section 33-C (2) of Industrial
Disputes Act for computation and payment of dues.

Award

1. Petition under section 33-C (2) of payment of dues Industrial Disputes Act for computation and payment of dues has been preferred before this tribunal on 24-07-2001 averring therein that the petitioners/workmen were in the employment of respondents/employers for the posts of Resin Melting Workers since i.e. (Mohan Lal and Gouri Shanker) from 1980 whereas Bodh Raj, Romesh Lal and Charan Dass since 1982, Karnail Chand since 1983 and Ashok Kumar since 1990.

2. The applicants used to do the work of opening of tins, sorting of resin as per colour, impurities and melting it. The payment was on piece rated basis, per tin on different rates and on different intervals since 01-01-1990 to 28-08-2000. The details with particulars is attached as (Annexure 'A'). The work was of permanent nature being connected with the production of the factory as the principal Employer used to supervise the work through their staff viz. Chief Executive and Supervisor.

3. That since joining the duty as mentioned above, petitioners remained in employment up to 22-08-2000 continuously. The respondent No. 2 was deducting Rs. 200/- from our wages per month w.e.f.

January 1990 till 27-08-2000 with the assurance that this amount will be refunded at the time of their leaving the job. The services of the petitioners were terminating on 27-08-2000.

4. That the respondents did not allow us to work and terminated our services on 27-08-2000 without assigning any reason and also refused to pay our deducted amount of wages, for which the respondent made number of subscriptions during the service period i.e. w. e. f. 01-01-1990 to 27-08-2000 and the deposits are lying with the respondent and payable by the respondents/employers to them.

5. Upon service of the respondents, Mr. L. C. Mehra appeared and sought adjournment for filing the written statement. Respondent No. 1 filed the written statement on 02-11-2001. Respondent No. 2 did not appear despite service and ultimately he was set ex parte on 23-07-2002. On 29-10-2002 respondent No. 2 appeared and prayed for the setting aside of the ex parte proceedings, which came to be set aside and the objections/written statement were filed on 09-12-2012.

6. The petitioners filed their rejoinder to the claims of statement.

7. Respondent No. 1 has taken the plea and resisted the claim of the petitioners on the ground that Raw Resin in J&K State is sold under public auctions organized by the State Forest Department. Moreover "quantity put on auction remains scarce and therefore" as and when. We succeed to get resin against our successful bid then we call the contractor for the job. There was as such no question of respondent No. 1 paying any wages to the petitioner or deducting a sum of Rs. 200/- per month from their wages as alleged. It is, therefore, evident that availability of Resin from the State does not remain certain.

8. In 1985-86, the then Governor enforced a Resin Act and as per legislation of such act. We were supposed not to stock and use indigenous Resin. The whole material available in State used to go to the Government Factories. Since then we are importing major requirement of Raw Resin which is available to us packed in steel Barrels containing 200 Kg. material. Therefore, the question of opening of Tins does not arise. However, after

long, Resin Act was declared void by the Hon'ble Supreme Court and thereafter Government started to auction of resin but we hardly get quantity and therefore running of factory remains uncertain from indigenous resin and as and when we get resin from auctions, we call the contractor for the job and employment of labour is his jurisdiction and it is not necessary that he brings same labour for job.

9. The petitioners were at no time employed by the respondent No. 1. The averments made in para-1 are incorrect and are denied in their entirety. Contents of the self serving Annexure-A are incorrect and are denied. The petitioners were never employed by respondent No. 1 nor was respondent No. 1 their principal employer as alleged. The petitioners were never in the employment of respondent No. 1 nor was there any question of deducting Rs. 200/- per month or any other amount from any of the applicant's wages as alleged. Ours is a limited concern and under provisions of section 224 of the Company's Act 1956. Our accounts are annually audited. Being a limited company like us we are supposed to deposit in the accounts if money would have been deducted and auditors would have confirmed it. Since the petitioners were not the employees of respondent No. 1 as such there was no question of respondent No. 1 terminating their services as alleged.

10. Respondent No. 2 also filed the objections *inter alia* refuting the claim of the petitioners on the grounds that the contents of para No. 1 are vogue and incorrect. I used to undertake to work with M/s Dujodwala Resins and Terpinis limited on contract basis for opening of tins, sorting of Resin as per colour and impurities and melting it. The work was not of continuous nature as Resin was not available through out the year. No labour was engaged by me when the resin was not available whenever, there was no Resin or there was short supply of Resin, the number of workers engaged by me used to a vary. There was no permanency of employment.

11. The engagement of labour by me used to be discontinued whenever there was no work or there was no sufficient work. The same labour was not always employed or during their disengagement by me they used to find work elsewhere. Whatever labour was employed by me used to be paid according to the amount work done by labour. Whenever

labour was employed by me used to be paid according to the amount of work done by labour. Whenever, I would get the job I would collect labour whosever was available and get the job done. The job was not of skilled nature and any labour picked up from the street could be put on the job.

12. It is not correct that the applicants were engaged by me from the years mentioned in para No. 1 or from 01-01-1990 to 27-08-2000 as alleged. The particular mention in Annexure-A to the application are denied. The contractual work undertaken by me was not of permanent nature, allotted work according to the availability of material. I have not made any deduction of Rs. 200/- per month from the wages of applicants or from the wages of any other persons engaged by me. It is also not correct that the applicant were working for me from 01-01-1990 to 27-08-2000 the services of persons engaged by me stood terminated whenever Resins not available in the factory. No persons was in continuous employment with me. And as already submitted I had made no deductions from the wages of any labour including the applicants at any time. There is thus nothing outstanding against me. The applicants are not entitled to any relief.

13. After filing the written statement by the respondents, petitioners filed the rejoinder averring therein that he was not aware of the contract executed between the respondents. The work was of a continuous nature and remained for more than 240 days in a year. The establishment is not seasonal but it works for whole of the year. The petitioners have worked in the factory more than a year that is 240 days. All the petitioners were working in the factory continuously. After the termination of the petitioners, the employer engaged other workers and still they are working in the establishment. It is further asserted that they have worked more than 240 days and as per law if a workman performs his duties for 240 days in a year he is deemed to be a permanent worker. The work was controlled and supervised by the management. The services of the petitioners were utilized by the respondent No. 1. So there is a relationship between respondent No. 1 and the petitioner. All the petitioners are working in the factory since 1990 to 27-08-2000. The deduction of Rs. 200/- was being

effected since 1990. On the pretext that whole of the amount will be paid at the time of their relieving.

14. Petition was filed on 24-07-2001 and thereafter the process for the service of the respondent was issued. Respondent No. 1 appeared on 02-11-2001 through his representative Mr. M. C. Lehra. Respondent No. 2 was set ex parte on his failure to appear before the tribunal on 23-07-2002. Respondent No. 2 appeared and the ex parte proceedings were set aside on the motion moved by the Respondent No. 2. Written statement was filed by Respondent No. 2.

15. On 24-01-2003 the following issues were framed :—

1. Whether the present petition is not maintainable in the fact of preliminary objections raised by the non-applicants ?

O. P. R.

2. Whether the petitioners remained in the employment of respondents from 1st of January, 1990 till 28th of 2000 ?

O. P. P.

3. Whether the respondents deducted Rupees 200/- per months from the wages of the petitioners from January, 1990 ?

O. P. P.

4. Whether the petitioners are entitled to get Rupees 1,79,200/- from the respondents ?

O. P. P.

5. Relief ?

O. P. Parties.

16. Issue No. 1 was treated preliminary issue. Vide this tribunal order dated 22-04-2003 decided this issue in favour of the petitioner and against the respondent.

17. The review petition was filed by the Respondent No. 2 on 13-05-2003 and the said petition was disposed off vide this tribunal order dated 01-08-2003. The proceedings in this petition were stayed by the Hon'ble High Court of J&K. The OWP No. 936/03 was disposed off by the Hon'ble Court on 10-11-2005. Petitioner took considerable time to lead the evidence of their witnesses namely Mohal Lal, Gouri Shanker, Bodh Raj, Charan Dass, Ramesh Lal, Karnail Chand, Shamsheer Chand and Ashok Kumar in support of their claims.

Petitioner's witnesses.

18. P. W. Mohan Lal (Petitioner No. 1) has deposed that he was working as a labourer in Dujodwala Resins Terpinex Company since 1980 alongwith Gouri Shankar, Charan Dass, Bodh Raj, Ramesh Lal, Karnail Chand and Ashok Kumar and was performing the duty to load and unload the Resin tin and thereafter to heat the material and dump in a tank. G. P. Singh was supervisor and C. R. Pal was over all controller. The tools were provided by the company to us for the performance of the duty. The work was continued for whole of the year. We used to go at 8.30 a.m. and return at the same time. Attendance was marked at the security guard namely Jamail Singh. Other workers of the factory were also used to come at 8.30 a.m. Identity Card was also issued to me which was signed by the Labour Officer and the same has been annexed with the file. One certificate was also issued by the C. R. Pal and same is also attached with the file. Statement of account of his work was also prepared and signed by Som Nath and G. P. Singh and also annexed with the file. No wages slip was issued to me. The payment was paid to him by the management through Malvia. An amount of Rs. 200/- was being deducted from my wages and it continued till 1990 and it was assured to them that this will be paid on their leaving the job. This amount was being kept with the company. The petitioners were terminated on 28-08-2000 without and notice and the payment of their subscription. Labour Contractor used to come in the factory but he was not marked there attendance. On cross examination the witness has deposed that there attendance was marked by the security guard namely Jamail Singh. No appointment order has been issued by the company. Rather they were appointed by the company verbally. The work which was performed by him alongwith other workers

and a pay bill in this regard has been annexed with the file. He does not remember his date of birth. He was engaged by the company approximately at the age of seventeen years. I have filed this petition for back wages and the deduction made by the company during his tenure working as a labourer. The petition was drafted by the AR whose name is not known to me. It is wrong to say that the deduction was made by Chaman Lal rather it was deducted by the company through by Malvia.

19. Petitioner No. 2, Gouri Shankar was deposed that he started the work as a labourer in the factory in the year of 1980. Alongwith Mohan Lal, Charan Dass, Karnail Chand, Ramesh Lal, Bodh Raj and Ashok Kumar. They were melting the material in the factory. We were working under the control of Som Nath and were paid the wages by Malvia and amount of Rs. 200/- was being deducted from their wages with the assurance that this amount shall be refunded at their retirement. On cross examination the witness has admitted that he was not issued the appointment letter. He was paid Rs. 2600/- as pay in the year of 1980 and in the year of 2000. Deduction of Rs. 200/- was made by Malvia without any issue of receipt.

20. Petitioner No. 3 Bodh Raj has stated that he was appointed as labourer in the factory in the year of 1982 and was working of melting the Resin and for melting the Resin all the tools viz. were provided by the factory. He used to go in the factory daily and perform his duties under the control of G. P. Singh and Som Nath, employees of the factory. Both of them used to allot their duties and whenever they were on leave, it was sanctioned by the supervisor. 200/- rupees was being deducted since 1990 by Malvia on the pretext that the deducted amount shall be refunded on their leaving the job. He has further stated that he does not possess any appointment letter issued by the company. His pay was Rs. 800/- at the time of his first appointment. He was engaged by Chaman Lal at the first instance. I alongwith other petitioners had also filed a case against Chaman Lal. No identity card was issued to me and he does not remember whether any identity card was issued in favour of the other petitioners.

21. Petitioner No. 4 Ramesh Lal has deposed that he was engaged in the factory in the year of 1982 alongwith other petitioners and used to melt the Resin in the plant of the factory. For the melting of the Resin

the necessary tools like cutter and rods were being supplied by the management of the factory. The workers used to work under the control and supervision of Som Nath and G. P. Singh. Their attendance was marked at the security gate and the payment of wages was released to them by the labour officer namely Malvia. An amount of Rs. 200/- was being deducted by the company and on their termination no compensation was paid to him. Chaman Lal was an outsider and sometime he used to sit in the security. On cross examination he has deposed that he was born in the year of 1969-70. He alongwith the workers had gone labour officer. He does not recollect what is the written petition. They have asked to write about their demands. It is incorrect to say that Chaman Lal was deducting Rs. 200/- from their wages. He has no knowledge who used to deduct Rs. 200/- but it was deducted by the company. He has further stated that he was engaged in the factory at the age of 18/19 years. He has worked in the factory for 17/18 years. No appointment letter was issued to him. At the time of his appointment. He was paid Rs. 800/- and an amount of Rs. 200/- was deducted since 1990. He was paid Rs. 1700/- in the year 1990. And at that time also Rs. 200/- was being deducted. He has no receipt regarding the deduction.

22. Petitioner No. 5 Charan Dass has deposed that he was employed in the year 1982. Besides him other workers namely Gouri Shankar, Mohan Lal, Bodh Raj, Karnail Chand, Ramesh Lal and Ashok Kumar were also working in the factory. We used to fill the tin with "Gandha Baroza" (Resin) and thereafter dump in a tank. We used to work under the control of Som Nath and G. P. Singh employee of the company. This unit used to work for whole of the year. An amount of Rs. 200/- was being deducted with effect from 1990 with the assurance that the same will be released at the closer of the factory. He was terminated on 28-08-2000 and the factory is working till now. There are 6/7 person working in the factory. Contractor Chaman Lal was not allotting the work but Pal Sahib was allotting the work to them. We had requested the management, not to terminate them but all in vain. On cross examination he has admitted that he was employed at the age of 15 years and the wages were paid to them by the labour officer namely Malvia. The petitioners used to put their attendance in the register. His pay was Rs. 2600/- w. e. f. 1990 to 2000 and an amount of Rs. 200/- was being deducted during this period. He was not issued any appointment letter.

23. Sh. Karnail Chand petitioner No. 6 has deposed that he was working in the Dujowala factory since 1982. No appointment order was issued. He was working of extracting and filling the Resin in the tin alongwith other petitioners under the supervision of Sh. Som Nath and G. P. Singh, employees of the company and their attendance marked at the security gate. Wages were paid by Malvia, an employee of the company and an amount of Rs. 200/- was being deducted from wages per month. And no receipt was being issued in this regard. The deduction was made w. e. f. 1990 to 2000. And the said amount has not been refunded to them.

24. Petitioner No. 7 Ashok Kumar has deposed that he was appointed as a worker in the factory in the year of 1990. He used to melt the Resin and for this all the tools i.e. rod, cutter etc. were provided by the factory. Som Nath and G. P. Singh were supervising the work and an amount of Rs. 200/- was being deducted from his wages/salary by Malvia Sahib besides the other petitioners. The deduction was started in the year of 1990 and on 28-08-2000 he was terminated without the payment of/ refund of the deposited amount. In cross examination the witness has stated that the appointment letter was not issued to him. At the time of his employment he was paid Rs. 1500/-. No receipt was ever issued for the deductions made from their wages. He was engaged by Chaman Lal Respondent No. 2 at the first instance. He was not issued any identity card. His attendance was marked by Jamail Singh alongwith other workers in the security.

25. The respondents were set ex parte on 04-12-2008 on their failure to participate in the proceedings. Petitioners have lead only one witness in ex parte whose statement is as under :

26. P. W. Shamsher Chand has deposed that he is working as a Machine Operator in Singhvi Wood Factory adjoining to the Dujodwala Factory. 200/250 workers were working there including the petitioners and the said factory is closed for the last six months. All the workers except the petitioners were given the benefits. The deductions were made from the account of the petitioners and on the ouster of the petitioners in the year of 2000 no such payment was made to them.

Heard, considered.

27. The workmen claim that they had worked with the management for 17 years i.e. w. e. f. 1994 to 2011 and are entitled to the wages as per Annexure-A in view of section 33-C (2) of Industrial Disputes Act.

28. On merits it is submitted by the AR for the petitioners that the Respondent No. 2 has admitted that he used to undertake to work with M/s Dujodwala Resins & Terpinas Ltd. and was provided labour to the Respondent No. 1 but the engagement was not of permanent nature. It appears that the Respondent No. 2 was the immediate employer and Respondent No. 1 was the principle employer.

29. Even otherwise from the perusal of a certificate issued by Mr. C. R. Paul, Chief Executive of Dujodwala Resins and Terpinas Ltd., it reveals that the petitioner Mohan Lal S/o Lallo Ram R/o Langtha P. O. and Tehsil Samba was working as a labourer in the factory of the respondents for the last 15 years. Though this experience certificate has not been proved by the petitioner by leading the evidence but the respondents have also not denied/challenged the genuineness of the said certificate. So there is no reason to disbelieve the averments of the said experience certificate.

30. In Town Municipal Council, Athani vs. Labour Court (1969) 2 Lab LJ 651 : (AIR 1969 SC 1335), this Court while affirming the decision of the Mysore High court, since reported in (1968) 1 Lab LJ 779 : (AIR 1968 Mysore 150), laid down that questions relating to payment of minimum wages to the employee at the agreed rate or any amount for overtime work or for work on off days can be considered and decided not only under the Payment of Wages Act but also under Section 33 C (2) of the Industrial Disputes Act, 1947, and that jurisdiction of the Labour Court under Section 33C (2) is not barred on account of the provisions contained in the Payment of Wages Act. This decision has been cited only as an effort to indicate that claim for wages can be entertained not only under the Payment of Wages Act but also under Section 33C (2) of the Industrial Disputes Act.

31. Thus, the character and function of the Labour Court under the Industrial Disputes Act as also the Authority under the Payment of

Wages Act are similar in purpose and both are designed to produce the same result particularly as some of the provisions under both the Acts prescribe the same thing to be done. The Industrial Disputes Act, 1947 and the Payment of Wages Act, 1936 are, therefore, "Corresponding Law" qua each other particularly as both are part of the same social legislative canopy made by the Parliament for immediate amelioration of workmen's plight resulting from non-payment, delayed payment or, for that matter, short payment of their wages.

32. The payment was on piece rated basis since 01-01-1990 to 28-08-2000. The petitioners have joined the employment w. e. f. 27-08-2000 and Respondent No. 2 was deducting Rs. 200/- per month from the wages of the petitioner right from January, 1990 to onwards. In the year of 2000 without any plausible reasons, Respondent No. 2 terminated the services of the petitioners. Now the petitioners are claiming their deducted contributions made from their wages which has not been paid by the respondents despite repeated requests made by the petitioners. It has come in the statements of the witnesses that the petitioners were working in the establishment of the Respondent No. 2 and they were supervised by the supervisor and other staff of the principle employer.

33. In para 13 of the judgement passed by Hon'ble High Court of Jarkhand published as 2002 LLR page 177, the Hon'ble High Court has observed as, "In the present cases, by impugned award dated 23rd September, 1996 answered the question of facts that there exists employer-employee relationship between management and workmen. Such being the finding of facts arrived at by the Labour Court. Hence it is not desirable, otherwise be interfered with while exercising powers under Article 226 of Constitution of India, the same otherwise not being perverse and there being no error apparent on the face of the record".

34. In another case titled Haryana State Electricity Board through Secretary and Ors. V/S Presiding Officer, published as 1997 LLR 416, the Hon'ble High Court of Punjab & Haryana as held that, "the guiding factor in this case whether petitioner board has control over the working of the respondents or not which was the determining tests and this aspect of the case has been properly and rightly appreciated by the Labour Court. Though the respondents were engaged by the contractor but this action on the part of the contractor was only for the purpose of the

procurement of the labour. However, control of such labour absolutely vested in the board in the light of the evidence lead by the parties and in this view of the matter, their existed relationship of master and servant”.

35. In this case though the Respondents No. 1 has pleaded that he had engaged the labour for the execution of the work allotted to him by the Respondent No. 2. But there is nothing on record which could prove that the petitioners were working under the supervision and control of Respondent No. 1 and not of Respondent No. 2. On the contrary there is sufficient material on record to prove that the petitioners were working with the Respondent No. 2 since 1990 and were working under the supervision and control of Respondent No. 2. It is a crystal and clear case of the existence of the relationship of master and servant between the parties to the petition. There is no doubt that petitioners were working under the control of the Respondent No. 2, being the principle employer as such he is liable to make the payment of their contribution/deductions which comes to Rs. 1,79,200/-. Since the legitimate dues of the petitioners has not been paid by the respondents and a considerable time has been exhausted so they are entitled to interest thereupon.

36. It is well settled law that the onus of proof lies upon the person who assert the existence of any fact. As stated above, the management has not lead any evidence in this matter.

37. For what has been discussed above, the petitioners are held entitled to an amount of Rs. 1,79,200/- alongwith interest @ 10% per annum. The respondents are directed to pay this amount within three months from the date of order. The petitioners are also found entitled to costs, quantified at Rs. 10,000/-. File stands disposed off and shall go to records under rules.

Announced in the open Court.

Abodh Behari
Gun Fitter
(DBBL Gun)

Versus

Management of M/s. Uttam Gun Works I. E. Extension Ashok Nagar,
Jammu Cantt.

Section 10 of the Industrial Disputes Act (hearing after referred to as 'Act') envisages that where the appropriate Government is of the opinion that any industrial dispute exists or apprehended, it may at any time in writing referred to the dispute or any matter appearing to be connected with are relevant to the dispute to the industrial tribunal or the labour court for adjudication.

The authority identified by the State Government under the act while having sufficient compliance with the provision of act has made a reference to this tribunal vide SRO No. 312 of 2009 dated 8th October, 2009 for adjudication and passing an appropriate order. The reference made by the Government broadly and pointedly having after having proper consideration by the reconciliation officer. Government is of the opinion that a industrial dispute exists between Abodh Behari, gun fitter (DBBL Gun) V/s. Management of Uttam Gun Works I. E. Ashok Nagar Jammu. So in exercise of power conferred by Clause (C) of sub-section 1 of section 10 of the Industrial Disputes Act 1947. Government referred this dispute adjudication for on the following issues :—

1. Whether the termination of services of Sh. Abodh Behari is legally justified?
2. If not, what relief he is entitled to?

Fundamentally and primarily reference which made by the authority to this tribunal, is based on report submitted by the conciliation officer.

On receiving reference from the government this tribunal has issued the notices to both sides. Applicant/petitioner appear on 07-03-2011 but despite notices respondent has not appeared. As such an *ex parte* proceeding has been initiated against him. But on 05-04-2011 respondent appeared and move an application for setting aside the *ex parte* proceedings. But again he remained absents. On 01-01-2014 application moved by the respondent has been rejected because he did not appeared for pursuing the

same and *ex parte* remain in force and petitioner were directed to lead the evidence in *ex parte*.

Petitioner himself has filed an affidavit as witness and other witness namely Jai Parkash has also deposed on an affidavit. So this is the whole evidence lead by petitioner to prove his case.

The claim of the petitioner as reflected in the conciliation proceeding and projected in the statement of the case precisely is that the petitioner was employed in the respondent factory during January, 2004 on the job as DBBL fitter on piece rate basis. He was earning Rs.5000/- pm as wages but his contribution toward provident fund was deducted Rs. 2100/- per month. He was retrenched as surplus workmen by the management in the month of December, 2007. Management of the factory appeared before the conciliation officer and admitted that applicant remained in there employment from January 2005 to 2007 to December and admitted that there is outstanding of Rs. 5635/- due to the petitioner rest of the amount has been paid on proper receipt. Non-applicant has admitted that applicant was retrenched and he was performing the job of skilled worker. Receipt of the applicant submitted by the management clearly mentioned that he does not accept the 9000/- as full and final payment. So applicant has accepted partial amount under protest. As per conciliation officer management has not complied with the provision of section 25-F of the Industrial Disputes Act, 1947.

As per claim of the petitioner he was appointed on January 2004 and he was terminated from the service without giving any prior notice as such the management has failed to fulfill statutory duty because he has not given opportunity to explain his position. He bears a good moral character. He was thrown out of the job by management arbitrary and the actual terminals were not paid. While the management was under its obligation to pay all dues under rules. Employer has admitted his employment under the category skilled workman and admitted that he was retrenched. As per SRO-157 of 2005 a skilled workman should not get less than 4400/- per month.

The petitioner led his evidence in *ex parte* by way of affidavit disclosing that he was working on piece rate of the guns. He manufactured 15 guns in a month @ of 500/- per gun but the owner factory paid him @ 340/- per piece. The owner of the factory deducted PF on Rs.2100/- only. He demanded Rs.4410/- per month but the employer thrown him out of the job on some fabricated charges and manager of the factory called in his room and got his signature on blank paper under threat. Other PW has supported him in the same line. There is nothing a n rebuttal from the respondent side. Management has not placed on record the list of workman employed in their factory as per their seniority to ascertain whether applicant was Junior most or not under the ID Act.

From the perusal of the record and failure report submitted by the conciliation officer and on the strength of evidence of the petitioner it is crystal clear in *ex parte*, that management of the factory has not complied the section 25-F of the Industrial Disputes Act before terminating him from the factory. Respondents have admitted before the conciliation officer that petitioner is a skilled workman and entitled to receive the wages @4410/- under Minimum Wages Act. They have not paid the retrenchment compensation. Though management admitted that there is an amount of Rs. 5635/- due to him. So there is admission on the part of respondent with regard to service of Sh. Abodh Behari and some amount is due to him. Whereas they have not complied the section 25-F before the retrenchment.

Respondent admitted in there pleading before the conciliation officer that he has been appointed in the month of January 2005 to 2007 December. There is no evidence in rebuttal from respondent with regard to advance taken by petitioner. So their contention cannot be considered in *ex parte*.

As per SRO No. 157 2005 minimum wages of the skilled workman is at Rs. 4410/- per month and as per petitioner he got only Rs. 2100/- per month. So balance amount of salary is amounting to Rs. 69,300/- leave salary Rs. 2255/- one month notice pay 4410/- two month retrenchment benefit 8820/- bonus for the year 2007 Rs. 6000/- bonus for the year 2006 Rs. 1500/- total amount demanded by the applicant Rs. 92,385/-.

In view of above I hold the petitioners termination from the service is legally not justified because petitioner had completed 240 days of service continuously and retrenchment compensation has not been paid so termination is bad. As it is not as per section 25-F of the Industrial Disputes Act. Hence petitioner is entitled to relief as prayed by him, in his basic application before the conciliation officer. Petitioner is entitled to the outstanding shown in his basic application. Respondent is hereby directed to pay outstanding amount within one month from the date of publication in Govt. Gazette in case of failure management of Uttam Gun Works will pay an interest of 8% from the publication of the award to till final realization of the amount. Petitioner is also entitled for compensation of Rs. 5000/-.

The reference is accordingly replied a copy of this order be sent to Government of J&K through his Commissioner Secretary, Labour Department for information and publication in the Government Gazette. File after its due completion be consigned to records.

(Respondents)

In the Matter of :—Petition under section 33 (c), sub-section (2) of Industrial Disputes Act, 1947 read with section 15, sub-section (3) of Payment of Wages Act for recovery of the amount of leave salary due to the petitioner.

AWARD

Petition under section 33-C (2) of Industrial Disputes Act, read with section 15, sub-section (3) of Payment of Wages Act was preferred by the petitioner averring therein that the petitioner was appointed as Driver in JKPCC on 01-08-1977 and superannuated on 28-02-2010 and vide SRO-27 dated 05-02-1998 the JKPCC was brought within the domain of State with regard to the rules and regulations applicable to the employees of the JKPCC as such leave rules were made applicable to the respondents.

That in terms of SRO-124 dated 17-04-1998 the respondents are bound to pay ten (10) months leave salary to the petitioner and vide Government Notification Order No. 19-GR of 1980 dated 20-04-1980 ten months leave salary is admissible. That the petitioner is a workman and Respondent No. 1 is the employer under section 22 of Industrial Disputes Act and is responsible for the payment of wages under section 3 of the Act. That the petitioner is entitled to receive the leave salary for a period of ten months whereas the respondent has paid only 120 days leave salary to the petitioner who is otherwise entitled to receive 180 days leave salary due to him amounting Rs. 1,57,000/-. That the leave salary is the retirement benefit of the petitioner and the petitioner is within his rights to seek the redressal of his grievance under the provisions of Payment of Wages Act. That the

cause of action has accrued to the petitioner on the date when the leave salary became due that is 28-02-2010 and is recurring cause as being a claim against the respondents. That the petitioner was appointed in District Srinagar and the respondents headquarters is also within the jurisdiction of this Hon'ble Tribunal. Petitioner finally prayed that a direction be issued to the respondents under section 15, sub-section (3) of the Payment of Wages Act for the payment of leave salary to the tune of Rs. 1,57,000/- along with interest.

Notice was issued to the respondents whereupon learned standing counsel for the respondents caused appearance and filed objections averring therein that the petitioner was an employee of the corporation who retired on 28-02-2010 and had taken all the benefits as are admissible under the corporation rules. That the petitioner has taken his leave salary benefits at the time of his retirement subject to the non-availability of leave as per corporation rules and nothing is withheld with the corporation. That this court has no jurisdiction to entertain such claims after the retirement of any employee as the petitioner has accepted the benefits at the time of retirement from the employment of the corporation and the petitioner has no reason to claim the benefits which are not admissible under JKPC rules as the corporation is paying Salary/Gratuity etc. to the employees out of its own resources and has no budgetary support of the State or the Central Government. That as per approval of the competent authority the J&K Service (Leave) Rules have been made applicable to the employees of this corporation with effect from 1-04-2008 vide office Order No. 82 of 2008 dated 10-07-2008 and prior to 1-04-2008 the employees were entitled for 120 days leave encashment only as per Leave Rules of JKPC. The order dated 10-07-2008 implies that this will however take effect from 1-04-2008 however cases already settled after 1-04-2008 to the date of issuance of order shall not be reopened. That the employee has voluntarily opted the service of the corporation and accepted the rules and regulations of the corporation including pay structure, leave salary and cannot dispute the rules after retirement from corporation. That the petitioner superannuated on 28-02-2010 and after the awaited nearly for a period of 4 years of his superannuation is disputing the rules regarding leave salary which he cannot

do. The petition is hit by limitation therefore, the petition needs to be dismissed and finally prayed that petition be dismissed with heavy costs.

Thereafter, the file was posted for further proceedings. I have heard the learned counsel for the petitioner and the respondents also. I have also perused the connected record placed on file and from the perusal of the service record it reveals that the petitioner superannuated on 28-02-2010.

It further reveals that upon superannuation leave salary for 120 days was also sanctioned by the respondents.

It is apt to reproduce section 33-C (2) of Industrial Disputes Act, 1947 which reads as under :—

“Where any workman is entitled to receive from the employer any money or any benefit which is capable of being computed in terms of money and if any question arises as to the amount of money due or as to the amount at which such benefit should be computed then the question may subject to any rules that may be made under this Act be decided by such Labour Court as may be specified in this behalf by the appropriate Government within a period not exceeding three months provided where the Presiding Officer of Labour Court considers it necessary and expedient so to do he may for the reasons to be recorded in writing extend such period by such further period as he may think fit.”

It is apt to reproduce section 15, sub-section (3) of Payment of Wages Act which reads as under :—

“When any application under sub-section (2) is entertained, the authority shall hear the applicant and the employer or the other person responsible for payment of wages under section 3, or give them an opportunity of being heard, and after such further inquiry (if any) as may be necessary, may, without prejudice to any other penalty to which such employer or other person is liable under this Act, direct the refund to the employed person of the amount deducted, or the payment of delayed wages, together with the

payment of such compensation as the authority may think fit, not exceeding ten times the amount deducted in the former case and [not exceeding twenty five rupees in the later, and even if the amount deducted or the delayed wages are paid before the disposal of the application, direct the payment of such compensation, as the authority may think fit, not exceeding two thousand rupees].”

From the perusal of the provisions contained under section 33-C (2) of Industrial Disputes Act, 1947 as well as under section 15, sub-section (3) of the Payment of Wages Act, 1936 it reveals that this tribunal is competent to adjudicate. From the perusal of record it is established which is not also disputed by the respondents that the petitioner hereinabove was a *bona fide* employee of the JKPCC who superannuated on 28-02-2010 as reflected in the copy of the service book placed on file. This factum of retirement of petitioner on 28-02-2010 has been admitted by the respondent in Para 1 of their objections placed on the file. It has also been admitted by the respondent that J&K Service (Leave) Rules have been made applicable to the employees of JKPCC with effect from 01-04-2008 dated 10-07-2008 and prior to 1-04-2008 the employees of JKPCC were entitled to 120 days leave encashment and after 1-04-2008 when the J&K Service (Leave) Rules were made applicable to the employees of the corporation. It is also not out of place to mention that against the clear admission of the respondents there was no scope for this tribunal to hold further enquiry.

Therefore, it is not understood that when J&K Service (Leave) Rules were made applicable with effect from 01-04-2008 why leave salary was withheld by the JKPCC as the petitioner had retired on 28-02-2010. Who was entitled for 10 months leave encashment salary but the same was withheld by the JKPCC which speaks volumes about the conduct of the corporation while dealing with its own employees and took a different stand that since the petitioner has already retired and therefore any claim of the petitioner shall not be reopened. However it is made clear that the claim of the petitioner has been withheld by the corporation. Who was otherwise entitled to 10 months leave salary encashment and the claim of

the petitioner is recurring as such is not hit by any limitation period. It has also surprised this tribunal that when the applicability of J&K Service (Leave) Rules have been admittedly made applicable then on what justification the claim of the petitioner stands withheld. It is not out of place to mention that J&K Service (Leave) Rules were made applicable vide Office No. 82 of 2008 dated 10-07-2008 with effect from 01-04-2008 by none other than the respondent/corporation itself, thus non-disbursement to the petitioner amounts to withholding of valid claim of the petitioner which cannot be permitted in those circumstances. More so the claim of the petitioner has already been recognized and settled by the respondents when the J&K Service (Leave) Rules were made applicable to the corporation as such are required to be computed and paid to the petitioner hereinabove without any inordinate delay. Therefore in such circumstances it is held that the petitioner is entitled to leave encashment salary of 10 months as per J&K Service (Leave) Rules any amount already received on account of leave encashment salary by the petitioner shall be deducted.

It is further directed that respondents shall also pay an amount of Rs. 5000/- as compensation to the petitioner. The amount shall be paid to the petitioner within a period of one month from the date of Award by the respondent failing which the petitioner shall be entitled to interest @ 8% per annum. Petitioner is also entitled to interest @ 8% from the date of petition till passing of the Award by this Tribunal. The file after due completion be consigned to records.

A copy of this Award be sent to the Government of Jammu and Kashmir through its Commissioner/Secretary, Labour Department for information and publication in the Government Gazette.

**THE KASHMIR AND JAMMU UNIVERSITIES
(AMENDMENT) BILL, 2015.**

[L. A. Bill No. 6 of 2015.]

A Bill to amend the Kashmir and Jammu Universities Act, 1969.

Be it enacted by the Jammu and Kashmir State Legislature in the Sixty-sixth Year of the Republic of India as follows :—

1. *Short title and commencement.*— (1) This Act may be called the Kashmir and Jammu Universities (Amendment) Act, 2015.

(2) It shall come into force from the date of its publication in the Government Gazette.

2. *Amendment of Section 12, Act No. XXIV of 1969.*—In the Kashmir and Jammu Universities Act, 1969, in sub-section (5) of section 12 of the principal Act, for the word “three”, the word “five” shall be substituted.

STATEMENT OF OBJECTS AND REASONS

The Kashmir and Jammu Universities Act, 1969 provides that the Vice-Chancellor of a University shall hold office for three years. In Universities across the country, generally duration of the term of Vice-Chancellors varies from three to five years. The tenure of Vice-Chancellor is for five years in most of the Central Universities, as well as Delhi University, four years in Calcutta University, and three years in University of Bombay and University of Madras. In Uttar Pradesh the term of office is for three years, but extension is given for one year. There is a broader consensus among academicians that a three-year term is too brief a period for a Vice-Chancellor to formulate and implement policies and plans. It is difficult or rather improbable to make an impact, administratively or academically, in this short period. A five-year time will definitely help Vice-Chancellors to fully experiment with the ideas they conceive and fine tune them. In a three-year term, the successor Vice-Chancellor may not exhibit the patience to see the full implications of the schemes initiated by predecessors. Their own agendas may affect the stability and cumulative progress of the system. It is, therefore, imperative to increase the tenure of the Vice-Chancellor for State Universities from 3 years to 5 years. The proposed Kashmir and Jammu Universities (Amendment) Bill, 2015 seeks to achieve the said objective.

Hence the Bill.
